About Us

Today, Xpanda Security is synonymous with security in New Zealand. Retractable security grilles are often simply called “Xpanda,” a testament to the trust and recognition we have earned from thousands of businesses across the country.

We are your trusted retail security partners

Xpanda Security is a New Zealand-owned local manufacturer specializing in physical preventative security systems. Since 1997, we've been dedicated to protecting businesses across New Zealand, with a strong focus on the unique security challenges faced by retailers. Our retractable security grilles are often simply called “Xpanda,” a testament to the trust and recognition we have earned from retailers nationwide.

Always Protecting..

We understand that at the heart of every business is the need to protect what matters most. That's why Xpanda is unwavering in our commitment to providing robust, reliable security solutions that businesses can depend on, day in and day out.

Why Choose Xpanda?

Xpanda understands the unique security challenges faced by retailers, including after-hours break-ins and daytime robberies. Our proactive security solutions are designed to mitigate these risks and create a safe environment for staff and customers. We provide tailored security plans from on-site assessments and ensure efficient, minimal-disruption installation to keep your business running smoothly.

Our Customers

Xpanda is proud to serve a diverse range of clients across New Zealand. But by far, Retailers are our number-one.

Xpanda is committed to providing responsive and reliable support to our retail clients. We prioritize minimizing disruption to your business during installation and offer ongoing support and maintenance to ensure your security systems continue to perform effectively.

Others include: Commercial Premises, Landlords and Property Managers.

We also partner with: Locksmiths, Architects, Construction companies, Retail Fitout companies.

Why We Exist: Peace of Mind

At Xpanda, we exist to provide our clients with more than just physical security solutions. We are driven by a fundamental belief in the retailer's right to safety and peace of mind, empowering you to operate with confidence and without the constant worry of security breaches.

Always Connecting..

We believe in the power of collaboration and strong relationships. Xpanda actively forges connections with our clients and industry partners, fostering a network of trust and shared success in creating safer environments.

Comprehensive Product Offerings

Xpanda offers a comprehensive range of physical security products designed to protect retail environments Visit www.xpanda.co.nz/products to explore our full range.

Our Expertise: Proactive Physical Security Solutions

As New Zealand's leading specialists in physical preventative measures, Xpanda has decades of experience in providing security solutions for retailers. We stay ahead of evolving crime trends to ensure our solutions remain effective and share our knowledge through resources like our blog www.xpanda.co.nz/blog

Always Options..

Recognizing that every security need is unique, Xpanda is committed to offering a comprehensive and diverse range of high-quality products. This ensures our clients have access to tailored solutions that precisely address their specific requirements.

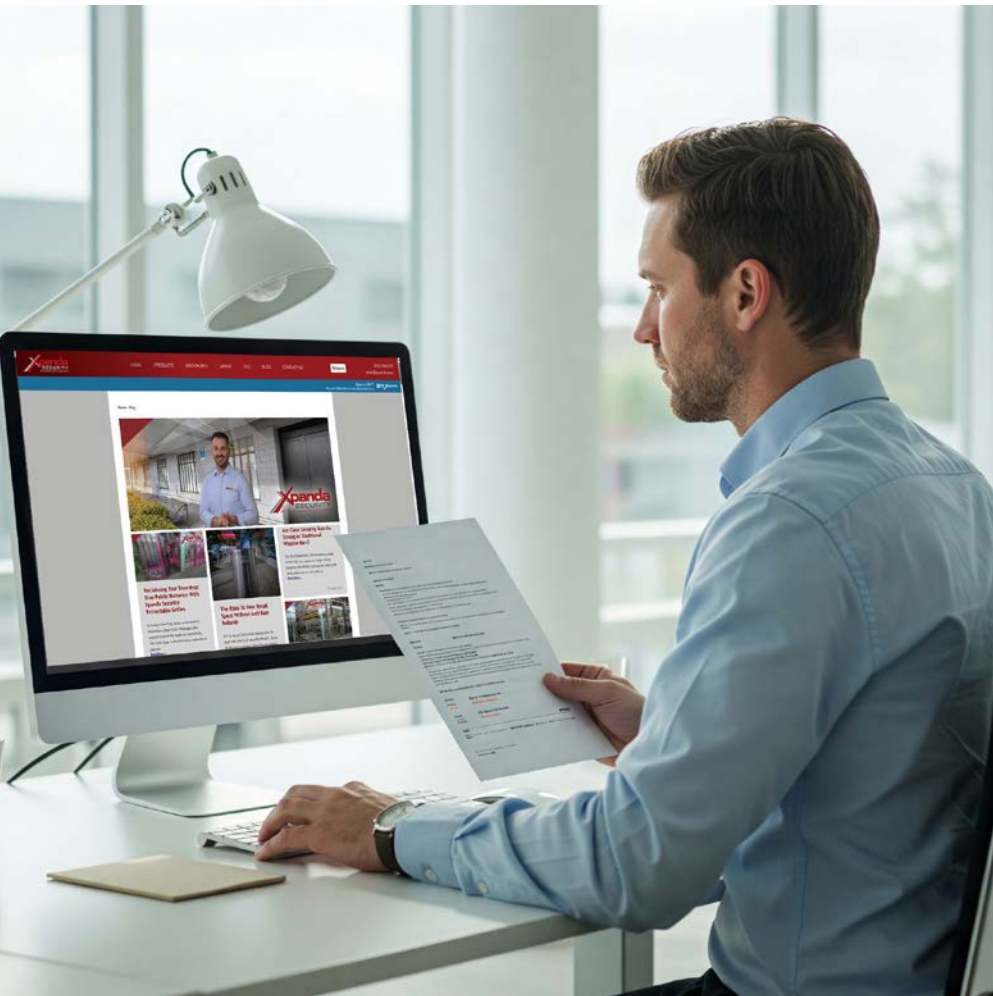

Commitment to Quality & Innovation

Quality is at the heart of everything we do. We adhere to stringent quality control standards throughout our manufacturing process with 100% parts inspection to ensure that every Xpanda product meets the highest levels of performance and reliability. We are also committed to innovation, constantly seeking ways to improve our products and develop new solutions to address emerging security challenges.

Impenetrable Defense..

“PB Technologies’ premises contain high value technology products so we are targeted by criminals. I wanted my buildings to be impenetrable, avoid the cost and inconvenience of break-ins and also to minimise insurance premiums. I’m a demanding customer and Xpanda Security worked closely with me to ensure I was happy with all aspects of my security. I wanted the maximum protection grill (double diamond) on my doors, my windows to be protected with bars, (Durbars) bollards and anti-ram beams installed to prevent ram raiding. Xpanda Security advised me and installed security on my new stores in North Shore, Hamilton and Queen Street. Their products seem to be very good (there have been attempts to break in but they were not able to get past the security) and they offer good service.”

Teddy Wen, Managing Directors Assistant, **PB Technologies**

Always Listening..

Xpanda stays ahead of evolving crime trends to ensure our security solutions remain effective. We actively monitor crime statistics and share insights on our blog, empowering clients with up-to-date protection.

Management team

PETER NOVOSAD
MANAGING DIRECTOR

Since 2008, Peter has directed Xpanda's strategic company management, ensuring both uncompromising product strength and relentless customer satisfaction, while fostering growth within the chain retail sector.

His economic science degree ensures sound financial management.

MORNE OLIVER
FACTORY & INSTALL
MANAGER

Morne has been crucial in Xpanda's operational success since 2007. He oversees all factory and installation staff, ensuring efficient production and quality control. Previously a police officer for 17 years in South Africa, Morne is well positioned to understand criminal behaviour, allowing Xpanda to produce the most effective physical security, and deterrence systems.

ROWAN HOLMES
TECHNICAL SALES & BUSINESS
DEVELOPMENT MANAGER.

Rowan brings to Xpanda 25 years of management and business development experience. His engineering background, developed in a family business, provides a foundation for his technical understanding. His 30+ years of experience in draughting and graphic design allows him to effectively communicate technical details, supporting technical sales and business expansion.
